Amendments to the Claims

This listing of claims will replace all prior versions and listings of claims in the application.

Listing of Claims

1. (Currently Amended) An ayurvedic ~~nutritional preparation~~ composition for use as a prophylactic for cardiac ailments and for increasing cardiac muscle tonicity consisting essentially of
 - a. a nut oil extract, with minimal or no toxins and irritants, obtained from cleaned, dried and processed nuts from plants of the ~~genus anacardiaceae~~ family Anacardiaceae from the genus anacardium and semicarpous; and
 - b. ~~an extract of Allium Sativum Linn and Zingiber Officinale Rose Linn~~ extracts of Allium Sativum Linn and Zingiber Officinale Rose Linn.
2. (Currently Amended) ~~An ayurvedic nutritional preparation as~~ The composition described in claim 1 wherein the nuts are of the species ~~Semecarpous Anacardium Linn or Anacardium Occidenatale Linn~~ Semecarpous Anacardium Linn or Anacardium Occidenatale Linn.
3. (Currently Amended) ~~An ayurvedic nutritional preparation as~~ The composition described in claim 2, wherein the nut extract is prepared in clarified butter.
4. (Currently Amended) An ayurvedic ~~nutritional preparation~~ composition as described in claim 3, where the nut oil extract in clarified butter is obtained by using 5 proportion by weight of clarified butter for every 2 proportion by weight of nuts.
5. (Currently Amended) ~~An ayurvedic nutritional preparation as~~ The composition described in claim 4, wherein the extract of ~~Allium Sativum Linn and Zingiber Officinale Rose~~ Allium Sativum Linn and Zingiber Officinale Rose is prepared by cooking ~~Allium Sativum Linn and~~

~~Zingiber Officinale Rose~~ Allium Sativum Linn and Zingiber Officinale Rose in moisture free vegetable oil.

6. (Currently Amended) ~~An ayurvedic nutritional preparation as~~ The composition described in claim 5, wherein the ~~Zingiber Officinale Rose and Allium Sativum Linn~~ Zingiber Officinale Rose and Allium Sativum Linn are used in a proportion of 1:2 by weight in vegetable oil of 3 proportions by weight, and mixed with filtered nut oil extract obtained from 2 proportions by weight of nuts.
7. (Currently Amended) ~~An ayurvedic nutritional preparation as~~ The composition described in claim 6 which is in soft gelatin capsule form.
8. (Withdrawn and Currently Amended) ~~An ayurvedic nutritional preparation as~~ The composition described in claim 2, prepared by a process comprising of steps including:
 - a. Partial or complete removal of toxins and irritants from cleaned and dried nuts from plants of the ~~genus macardiaceae family~~ Anacardiaceae from the genus anacardium and semicarpous, by repeated cooking and drying of the nuts in milk to obtain pure detoxified nuts;
 - b. Boiling the detoxified nuts in a medium of clarified butter preferably from cow's milk and maintaining the medium at a temperature of 50.degree. to 80.degree., for an extended period of time until the medium is absolutely moisture free to obtain a nut oil extract from the nuts;
 - c. Cooking ~~Allium Sativum Linn and Zingiber Officinale Rose~~ Allium Sativum Linn and Zingiber Officinale Rose in moisture free vegetable oil to obtain an ~~Allium Sativum Linn and Zingiber Officinale Rose extract~~ extracts of Allium Sativum Linn and Zingiber Officinale Rose;
 - d. Separately filtering the nut oil extract and ~~Allium Sativum Linn Zingiber Officinale Rose extract~~ extracts of Allium Sativum Linn and Zingiber Officinale Rose and mixing the two.
9. (Withdrawn and Currently Amended) ~~A process as described in claim 8, where in the vegetable oil used is purified oil from Ricinus Communis Linn~~ Ricinus Communis Linn.

U.S. Patent Application Serial No. 10/519,879
